# Woodgrain Finish

A wood finish on an aluminium door offers the best of both worlds—the timeless beauty of natural wood and the unmatched strength of aluminium. Whether you're upgrading your home's exterior or designing a modern entrance, this option combines style, functionality, and low maintenance.

# Hardware

## Yale Optimum Apex Kit

Paired with the Optimum 4-point Mortice Lock, the Apex Mini-Lever Set is the perfect multipoint locking solution for your front door.

## Sylvan SL4IE

The Sylvan electronic smart lock provides freedom, flexibility and security with a digital keypad style lock.

## Yale Assure with Pull Handle

Smart deadbolt with app control, auto-unlock, and integration options. Paired with a sleek Pull Handle.

## Yale SYDM3109

Access your home in the way that works best for you, with the option to use a PIN code or an RFID card/tag for simple and convenient entry.
